The entire subject shall be treated with special reference to Indian conditions and problems past and present. Six theoretical papers of four hours each shall be set at the examination; there will also be an oral and practical examination extending over two days. Each written paper shall carry 100 marks; and 200 marks shall be allotted to the oral and practical examination. In order to pass, a candidate must obtain 216 marks in the aggregate of the written papers, and 72 marks in the oral and practical examination; but if in any written paper, a candidate obtains less than 25 marks, those marks shall not be included in his aggregate.
